

Power Rises: The Ways of Power Book One (Volume 1)

5,000 years after the Eugenics War, a genetically engineered warlock named Rancoth unleashes a dark power that destroys his family, and changes the very world in ways he cant possibly comprehend. Only nine years old, hes adopted and raised by the Archmage Grecrum. When he reaches adulthood Rancoth is sent on a journey to repair the damage he has done. He will have to battle demons, dragons, giants, and himself. He will fall in love with a beautiful shape shifting princess, and he will be pursued by the last living vestiges of the human race. Their master bent on controlling the ancient technology Rancoth finds hidden in his parents abandoned home.
