

They Come Part 1: At Days End

When the war ends, the real battle begins. Nielson Clark is only eight years old. He lives on a small farm with his sister and his granny. The sirens that cry out on a daily basis to warn them of the impending bombs play like a lullaby to him. But one day that all changes. Rushed to a underground shelter, Nielson watches as his entire world falls all around him. Everything hes ever known or loved is taken in the blink of an eye. But for Nielson, the real horror is what happens next.
