

The Assassin

Scion of the Empires oldest house. Spy. Assassin. A man who, some claim, has no soul. Ceres Mara Sant is no ones idea of a hero. Which suits him just fine. Hes not trying to be anyones hero; only get in, do the job, and get out. The job being a rogue assassin, a former best friend, whom hes been hunting across the galaxy. But when he finds himself in one of the worst slums hes ever encountered, on a backwater planet the entire population of which he loathes, hes distracted for the first time: by a grubby and pinch-faced street urchin, boldand foolishenough to thwart him. This is the tale of what happens next.
