

Dark Ages British Isles

The Land Is Ancient Mithras of London fancies the Isles as his domain, but the land is far older than even he. Ancient vampires lurk in the fens and wolf-men stalk the moors. The Church has taken hold here, but worshippers of far older gods call upon power that no follower of Christ has ever known. And somewhere beyond the mist the fae laugh, for they were here before any other. Here There be Monsters

Dark Ages: British Isles is the first regional sourcebook for the Dark Ages line. It includes the history of the land, information on the major cities of England, Ireland, Scotland and Wales, and details on how the supernatural denizens of Europe deal with each other and the oldest inhabitants of the Isles.
