

## Grendel Unit1 : Bad Day at Khor-wa (Volume 1)

Join Captain Vic Cojo, the shaggy Mantipor beast called Monster and the rest of the Grendel Unit as they battle the galaxy's most dangerous terrorists. Unification has spread the message of peace and prosperity throughout multiple alien worlds and cultures. Now, a sect of fanatics is committing terrorist atrocities, and the only people who can stop them are a team of misfit covert operatives. Part futuristic military saga, part social commentary, Grendel Unit does what science fiction does best: Confronting difficult issues, while pointing us in the right direction as a society.
