

# The Complete Vegetarian Barbecue Book: Over 150 Delicious Recipes Plus Tips and Techniques

Grilling - indoors and out - is more popular than ever. But what about vegetarians? How many vegetable skewers can one person eat? Vegetarian cookbooks are a strong-selling niche in the cookbook market - and vegetarians like to grill as much as their meat-eating friends. The Complete Vegetarian Grilling Cookbook will offer 151 fabulous recipes for entrees, appetisers, side dishes, main courses and desserts - as well as grilling dos and donts, barbecue tips & techniques and entertaining secrets. Readers will discover things they never knew they could do on their indoor or outdoor grills, and experienced vegetarians will feel a sense of renewal about tackling the grill and creating wonderful meals cooked in the open air.
