

The Complete Optometric Assistant, 1e

THE COMPLETE OPTOMETRIC ASSISTANT will be your valued guide through all of the above. Sarah Morgan draws on her experience as an optometrist teaching optometric assistants to take you step-by-step and with clarity and authority through each of these areas and more in one handy volume. Comprehensive and extremely practical, this book will be indispensable reading for all front-line practice staff, as well as being enormously useful to students and dispensing opticians.
