

Tony Asplers Cellar Book: How to Design, Build, Stock and Manage Your Wine Cellar Wherever You Live

Tony Aspler returns with a book for anyone who has fallen under the spell of the glorious grape and dreamed of having their very own wine cellar. Tony Asplers Cellar Book provides guidelines for anyone, whether their regular tittle is a \$15-Australian or a \$100-Bordeaux, who wants to keep a supply of wines that will age with grace and flavour and be ready to consume for a mid-week dinner or a spontaneous celebration. Tony's suggestions for general approaches to establishing a cellar, specific bottles and even themes will help you create the perfect collection big or small. Basic techniques for evaluating the right cellar for your needs are accompanied by sidebars of cellaring experience and advice from well-known wine celebrities. Follow Tony as he builds his own cellar in his condo, while picking up tips on how to build your own.
