

The Day of the Tempest (Dragonlance)

The Summer of Chaos has ended. Ansalon's nightmare has only just begun. The gods have departed the world, heralding a new Age of Mortals. But before the dust of war can settle, vast shadows cover the land. Dragons have come to Ansalon, larger and more powerful than any ever seen, and they will wreak havoc on nations still trembling from war. As the lands themselves begin to change under the dire magic of the new dragon overlords, new heroes arise to lead the fight for freedom.
