

The Devils Game

Ambitious psychologist Dr. Gloria Pike thinks her new patient is the one she has been waiting for. The one that will bring her fame and fortune with her groundbreaking new therapy. Rachel Pendelton is on the verge of living her dream. She's finally overcome the final hurdle to graduating and is waiting to hear about her dream job. But all of that is threatened when someone starts stalking her. Patient X is disturbed. That much is clear. But who is playing who and who is really stalking Rachel? Psychotic patients, stalkers, and an innocent college student are the tangled players in The Devils Game. Reader Reviews: Check this out WOW!!!! ...I kept waiting for a boring bit and finally had to put it down and go to sleep. Book Him Danno! It was really well plotted out and the author created a great sense of foreboding. Cheryl M-M Now that was enjoyable! Just know that if you like psychological thriller mysteries, you'll enjoy the heck out of this one. Georgeanna Intense Gripping Read. With twists and turns, this book keeps the pages turning!
