

The Fix-A Time Travel Tale

6300 words, DRM free. She was a grandmother with a brilliant grandson involved in a time travel project. They needed her for a volunteer. So far they could not move participants in the program farther back into history than the years theyd lived. It was imperative they use older people for the trials. Jane doesnt tell them, but she wants to change a couple of things in the past. Make it right. FIX it. But will her tinkering with the past stay fixed? Jane wants to go back until it sticks. She doesnt care how many times it takes. An eerie tale from the Bram Stoker Finalist, Billie Sue Mosiman.
