

The Doublecross Program: Book Three of the Star Risk Series (Prologue Books)

Mchel Riss and the Star Risk team are enjoying a little well-deserved R&R ... until funds get a bit low. Then its time to swing back into action. The next thing they know, theyre in the middle of the weirdest gig theyve had yet: a staged bank robbery that involves putting the money back. Oh, yes - and a full-fledged war over a new addictive consumer product. Things are always interesting in the high-flying world of corporate intrigue and espionage. Just the place for the Star Risk, Ltd., team.
