

The Fighting Chance (Annotated)

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. The central plot is a somewhat-star-crossed romance. Boy meets girl, boy loses girl, boy is thrown out of exclusive New York clubs and takes to drink, boy finds girl again. In the course of meeting/losing/finding, the boy and girl in question both reveal their shameful inner weaknesses and, eventually, come to the conclusion that they should marry regardless. There's not a lot of mystery in what will happen, merely in how it comes about.
