

## The Ginger Star (The Book of Skaith) (v. 1)

Eric John Stark, Outlaw of Mars, travels beyond the solar system for exciting science fantasy adventures on the planet of Skaith, a lawless sphere at the edge of the known universe. Raised as a savage on the hostile planet of Mercury and honed into a fearless warrior in the low canals of the Red Planet, Stark is one of science fictions greatest adventurers and is Leigh Bracketts most famous character. In The Ginger Star, Simon Ashton, Starks foster father, has been kidnapped by the Lords Protector, and only Stark can rescue him!
