

## The Golden Queen (Volume 1)

The Golden Queen, Book 1 When GallenODay is hired as a bodyguard to escort a young woman through the woods to the forbidden ruins at Geata Na Chruinn, it seems like an ordinary job but all too soon, he finds himself fleeing for his life from creatures that seem like escapees from a nightmare the alien dronon, led by their golden queen. With his best friend, a genetically engineered talking bear named Orick, and his girlfriend Maggie, Gallen soon finds himself tangled in an interstellar war that he never knew existed, racing across a host of worlds, confronted by a future unlike any that he had ever imagined.
