

## The Instant Cook

Donna Hay is swiftly becoming the source American cooks go to when they ask themselves, What should we have for dinner tonight? She has garnered a passionate global following for her fresh and modern approach to food -- bringing out clean, sparkling flavors with simple techniques and streamlined instructions. In *The Instant Cook*, she offers more than a compendium of flexible recipes; it is an elegantly simple philosophy of cooking, and of eating. Donna Hay pulls together flavor combinations and cooking skills from the Mediterranean and the Pacific Rim - two of the most luscious and quick-cooking cuisines on the planet - to create delicious meals with a handful of ingredients in a few minutes. She gives home cooks the confidence to cook with instinct and with style. Exquisite full color photographs on every page illustrate Donnas signature look -- chic yet never fussy. It reminds you that cooking is a pleasure. Pour a glass of wine and catch up with family as you cook; shop without waste or confusion; host a weeknight dinner party with little planning and less effort. *The Instant Cook* is destined to be the cookbook that is never put back on the shelf.
