

The Killing Machine - Books 1-5: a T.E.N. sci-fi Thriller

In this exciting thriller (series), Tempest Eugene Nesbit (T.E.N.) runs from the government, the same government that ordered his wife to be killed and is now hunting him down. The top secret project he worked on was shut down, but why? His bodyguard and friend may have the answers, and hands Ten a list of who made the final decision about the project and his life sentence. Also on the list are the names of six other scientists about to be eliminated. What government project could be this important? When Ten realizes that his project could essentially kill millions, he must find a way to stop it and get back at those who destroyed his life. If you like fast action thrillers, you'll love this series. Couldn't put this series down. Jim Russell If you enjoy James Rollins and Steve Berry, you'll love Terry Persun. Gerry Parsons As exciting as Brad Thor and as interesting as Brad Meltzer. Kevin Jacobs
