

Chosen (A Fighters Creed Book 1)

What would you do if you discovered that the world was not what you thought it was? If you were faced with a greater threat than you could ever imagine, could you find the courage to face it? Shadow, the leader of the most elite group of soldiers in the world, Hsu Pang, a teenager with skills beyond even his understanding, and Alberto, a former enforcer, are among the most dangerous people in the world. Their fate, their lives, may fall on the most unlikely of shoulders. Ryan Brennan was the typical 13 year old boy; awkward, unsure of himself. Like many young boys, he felt invisible to the world. That was until a routine walk to the nearby store changed everything. One shortcut through the woods led to an unwitting trip through a mystical portal. What he learned from there began to challenge everything he ever believed in. Earth is but one of thousands of worlds. The most vile and demented world wants to claim Earth as its own and destroy everything he holds dear. One more defeat in A Fighters Creed, the tournament set in the Spirit World, and all of Earths portals will open, granting entry to creatures that were thought to exist only in nightmares. The Earths fighters capable of saving their world, are being hunted down by the very creatures they will face in A Fighters Creed, before they ever reach the tournament. Ryan is the chosen one, the one human that can help keep these fighters safe. The creature known as King Cobra invites Ryan to be the host to a supernatural being known as a Sentinel. He will be trained, he will be tested, and he will be thrust into unparalleled danger time and time again. Ryan is bewildered by the situation, but decides to take the greatest risk in his life and joins King Cobra and his unique group of loyal and dangerous generals; the deadly and merciless Kemuri, the kind and fun-loving Diamond, the beautiful Temperance, and the mysterious Dimitri. With his cousin, Tim, and friends

James and Thomas, two unlikely allies whom fate placed in Ryans path, Ryan embarks on an epic journey which will change, not only his life, but the lives of all those around him. A bond forms between the four boys almost immediately, but that bond will be tested as the decisions they make begin to reveal their dire consequences. It does not take long for Ryan to see the devastating pain caused by losing those one holds dear. How difficult will it be for him to accept that not everyone will be saved? Can he truly be who they claim he is? Every kid dreams of being a hero. Once Ryan considers the pain and responsibility that comes along with it, is he still willing to accept being the Chosen?
