

My Husband Not My Own: A Psychological Thriller (Michael Gresham Series Book 4)

HE SAYS HES YOUR HUSBAND...HOW CAN YOU KNOW FOR SURE? Shes driving through the mountains when a man steps in front of her car. Down the ravine she tumbles, coming to rest unconscious. She remembers nothing when she comes out of her coma. Her identity cannot be traced. The police and hospital put her picture in the paper and a man comes forward and claims her as his wife. She is finally released from hospital care and the man takes her home, where he tells her shes lived for many years. She looks for her past--dental records, diary, old friends--all lead down the same secret path. She becomes fearful and is placed in a situation where only her husband can save her. But will he? Or will the life insurance policy he has taken out on her be collected after shes dead?
