

Phasers of Anstractor: A Sci-Fantasy Space Adventure (The New Phase Book 2)

The Phasers are an elite group of soldiers, hand-picked and re-educated with the secrets of the galaxy. Phasers can clone, jump to other galaxies, and extend their lives, but their most dangerous weapon is their secrecy. Nobody knows where they come from and how they are able to do the things that they do. But the Geralos may have finally found a way. With a mole situated deep in Alliance territory, the reptilian aliens have the knowledge they need to strike ruthlessly at the heart of an inscrutable enemy. Their only threat is Rafian VCA, supreme leader of the Phasers, who must sacrifice a part of his own being to gain the power needed to restore Phaser supremacy.
