

## Near Death

Praise for Amazon best-selling author Richard C Hale and his debut novel Near Death: \*\* NEAR DEATH is a fast-paced, romance-laced, thought-provoking, and highly entertaining novel with an intriguing premise. ~ Author Lisette Brodey \*\* This is not a read you want to miss. Prepare to be enchanted and enthralled as Mr. Hale takes you on the thrill ride of your life. ~ Chuck Barrett, Award Winning Author of The Savannah Project and The Toymaker For Jake Townsend, the loss was shattering. And every night for the past two years, he has relived the horror of what happened. The moonless night. The piercing screams. The horrific crash. The night his wife was taken from him. The last time he saw her alive. Everyone tells him to move on. But for Jake, there can be no closure. A message appears in his dreams--a warning he is reluctant to heed. The omens ignored, Jake finds himself caught between the desire to see his beloved wife again and disrupting the delicate balance of life and death. The technology he developed has shown him the path, and others will do anything to use it, but at what price? He must choose, and the consequences may ultimately shatter his world. \*\* Blew me away! An approach that I never saw coming. Well Done!!! I Cant wait to read your next book! ~ Fred Paxton \*\* As I read the book, I couldnt help but think about a movie and who would play each part. I envisioned Matt Damon as Jake and Paul Giamatti as Bodey. What a fantastic read. I highly recommend it. ~ Ryan Krohn-Author of Our Beloved Red ~~ Be sure to read FROZEN PAST, Richards next thriller that will have you afraid to read alone at night. Luke is only fourteen. The madman knows things that no one

should know and sees things that no one should see. He tells them if they say a word to anyone, they will both die. And Luke cant let that happen. Elianas past is catching up with her and Luke must do anything to save her. Anything. ~~~ Follow Richard on Twitter (@Richard\_C\_Hale)
