

## The Search for Significance: Workbook

Search for Significance helps those who struggle with low-self esteem, approval-based self-worth, blaming themselves for past failures, and shame. This popular study helps people build self-worth on the forgiveness and unconditional love of Christ instead of relying on their own abilities to please others. (12 sessions) A Leader Guide (ISBN: 080549989X) is available separately to offer instruction for leading a small-group study.
