

The Darkness: The Invasion Trilogy Book 1

The Darkness is a fast-paced story of survival that brings the apocalypse to Main Street USA. While the world falls apart, Jacob Anderson barricades his family behind locked doors. News reports tell of civil unrest in the streets, murders, and disappearances; citizens are warned to remain behind locked doors. When Jacob becomes witness to horrible events and the alarming actions of his neighbors, he and his family realize everything is far worse than being reported. Every father's nightmare comes true as Jacob's normal life--and a promise to protect his family--is torn apart. From the Best Selling Author of Whiskey Tango Foxtrot comes a new telling of Armageddon.
