

Cold Magic (The Spiritwalker Trilogy)

The Wild Hunt is stirring - and the dragons are finally waking from their long sleep...Cat Barahal was the only survivor of the flood that took her parents. Raised by her extended family, she and her cousin, Bee, are unaware of the dangers that threaten them both. Though they are in beginning of the Industrial Age, magic - and the power of the Cold Mages - still hold sway. Now, betrayed by her family and forced to marry a powerful Cold Mage, Cat will be drawn into a labyrinth of politics. There she will learn the full ruthlessness of the rule of the Cold Mages. What do the Cold Mages want from her? And who will help Cat in her struggle against them?
