

The War Of The Worlds: Fresh Perspectives On The H. G. Wells Classic (Smart Pop series)

H.G. Wells has been called the father of science fiction, and with genre-defining classics like *The War of the Worlds* and *The Time Machine*, its obvious why. *The War of the Worlds* is as vivid and powerful today as the day it was written. In this collection, which also includes the full text of *The War of the Worlds*, fourteen of science fictions greatest talents come together to discuss, with insight and humor, one of science fictions most important works. Essays include: H. G. Wells *Enduring Mythos of Mars*, in which Stephen Baxter provides the history of mans investigators of Mars and explains why Wells was right after all *Just Who Were Those Martians, Anyway?* in which Lawrence Watt-Evans explains how ridiculously incompetent the Martians were as interplanetary invaders, and why *In Workings Image*, in which Mercedes Lackey takes us to a different alien world: Wells hometown of Working during the late 19th century *The Tiniest Assassins*, in which Mike Resnick suggests that Wells gets one tiny thing wrong *The Hugo-winning The Soul Selects Her Own Society* (the only reprint in this anthology), in which Connie Willis describes the unfortunate encounter between Emily Dickinson and Wells Martians
