Life Organization In 1 Month: Take The One Month Self Organization Challenge And Experience The Amazing Benefits This book contains proven steps and strategies about how to organize your life. Think its already organized? Then, think again! This book will help you organize your life by providing you with strategies that promote action. Its main goal is to help you reach your long-term goals - starting with success in a One Month Challenge. If you have frequently failed to reach your goals in the past, then this is the right book for you. By the time you are done with the One Month Challenge, you will have a great sense of accomplishment because you will have fully realized the goals that you yourself have set. You will then translate this personal victory to other areas of your life. This book presents a well-organized four-week plan for you to organize yourself for what really matters to you. It is a step-by-step instruction manual for taking action and making changes that could well transform your life. In Life Organization In 1 Month, you will learn: How To Assess Your Habits Honestly - Especially Those Which Have Hindered Your Success in the Past How to Implement a Goal Timeline How to Master the Art of Time Tracking How To Identify and Deal with Goal Barriers Ways To Clear Internal And External Clutter How to Utilize Intrinsic and External Motivation Four Steps to Build Discipline into Your Life Make your decisions based on the circumstances in front of you, not the unproductive emotions that can drive you in the wrong direction. When you are at your best, you can achieve the goals you have set for yourself. However, for you to be at your best, you need to be in control of your actions and your emotions, not a lazy and scared version of yourself. Usually, our mind makes us avoid working and waste time on unproductive stuff like checking our

phones or taking long naps. Our mind naturally tends to pick the path of least resistance instead of the path of greatest opportunity. Take action now.
