

# The Werewolf Cookbook (The Vampire Zombie Werewolf Cookoff Cookbook)

This collection of recipes focuses on the hairier side of the culinary world and explores eats that send a chill up your spine. Inspired by the eating habits of werewolves, you will find a variety of chewy meats and fun-to-decorate treats, along with worms, bones and furry fingers.

Most of these recipes have simple ingredients and follow common cooking procedures but with a few creative tweaks in the spooky direction, are transformed into a frightful collection of dishes sure to unleash the beast in you.
