

Think Like a Cat: How to Raise a Well-Adjusted Cat--Not a Sour Puss

Think its impossible to train a cat? Think again! Yes, you can learn to understand your cat. No, cats are not always aloof. No, they dont ruin furniture out of spite. Most often feline misbehavior is the result of owners not understanding their cats needs. In this comprehensive book that takes readers through every step of cat ownership, Pam Johnson-Bennett helps you understand the instincts that determine feline behavior, positive and negative. An authoritative resource for cat owners of all stripes, Think Like a Cat covers everything from where to get a kitten to choosing a vet; from basic health care to treating more serious medical problems; from selecting an irresistible scratching post to avoiding litter box problems. A seasoned therapist and former veterinary technician, Johnson-Bennett offers welcome advice in a straightforward manner that will help cats--and their owners--share a happy, healthy life together.
