

## This Side of Paradise

Amory Blaine inherited from his mother every trait, except the stray inexpressible few, that made him worth while. His father, an ineffectual, inarticulate man with a taste for Byron and a habit of drowsing over the Encyclopedia Britannica, grew wealthy at thirty through the death of two elder brothers, successful Chicago brokers, and in the first flush of feeling that the world was his, went to Bar Harbor and met Beatrice OHara. In consequence, Stephen Blaine handed down to posterity his height of just under six feet and his tendency to waver at crucial moments, these two abstractions appearing in his son Amory. For many years he hovered in the background of his familys life, an unassertive figure with a face half-obliterated by lifeless, silky hair, continually occupied in taking care of his wife, continually harassed by the idea that he didnt and couldnt understand her. But Beatrice Blaine! There was a woman! Early pictures taken on her fathers estate at Lake Geneva, Wisconsin, or in Rome at the Sacred Heart Conventan educational extravagance that in her youth was only for the daughters of the exceptionally wealthyshowed the exquisite delicacy of her features, the consummate art and simplicity of her clothes. A brilliant education she hadher youth passed in renaissance glory, she was versed in the latest gossip of the Older Roman Families; known by name as a fabulously wealthy American girl to Cardinal Vitori and Queen Margherita and more subtle celebrities that one must have had some culture even to have heard of.
