

To The Stars (The Harry Irons Trilogy Book 1)

TO THE STARS is the first book in a science-fiction trilogy concerning an intrepid group of space explorers in the year 2107. Harry Irons dreams of escaping poverty and an over-crowded Earth by gaining employment with the Braithwaite Corporation. After proving himself in a series of tests, Harry gets his wish and soon enough finds himself struggling to survive on an alien world. TO THE STARS was written for a general audience and is sure to satisfy both younger and older fans of alternative fiction.
