

## Too Wise to Be Mistaken, Too Good to Be Unkind

A book with a different perspective on the subject of autism than you'll normally find. In *Too Wise to be Mistaken, Too Good to Be Unkind*, you will join David, Cathy, and Drew Steere on their difficult, yet remarkable journey into the complex world of autism. More than a how-to manual on dealing with a special needs child, this is the heartwarming testimony of two parents who placed their trust in their faithful Heavenly Father and lovingly persevered in training Drew in the nurture and admonition of the Lord. A powerful testimony to the sufficiency of Scripture in all of life.
