

The Fall: The Gods End Trilogy: Book One

Civilization stands on the brink of annihilation. With World War III imminent, an ancient prophecy becomes reality, heralding the arrival of the Four Horsemen of the Apocalypse and hell on earth. As the brutal forces of War, Pestilence, Famine, and Death sweep around the globe, bolstering their terrifying ranks as they go, the survivors must brave the chaos to find each other and their ultimate destination, the mystical More Man Tears. Mankind's only hope lies in the hands of a teen with precognitive abilities, an Army medic, a marine biologist, and a child believed to be the Second Coming. Can they overcome seemingly insurmountable odds or is Gods End truly inevitable?
