

Treasures from the Kingdom of Fungi: Featuring Photographs of Mushrooms and Other Fungi from Around the World

A tribute to mushrooms and other fungi from around the world, *Treasures from the Kingdom of Fungi* showcases Taylor's world-class photography. Grouped by appearance and characteristics with sections including a *A Touch of Glass*, *Magic Carpets and Spore Gardens*, and *The Wild, Weird, and the Wonderful*, *Treasures* showcases fungi shot in Russia, Finland, Sweden, Scotland, Australia, New Zealand, Chile, Peru, Thailand, Malaysia, China, Indonesia, Nigeria, Zimbabwe, South Africa, India, Switzerland, Japan, and United States. A perfect gift for a special occasion, *Treasures from the Kingdom of Fungi* is a delight to mushroom enthusiasts, arm-chair travelers, fans of fine photography, and nature lovers of all kinds. Product Specifics: Hard-cover coffee table book with dust jacket Dimensions: 11 x 9 1/4 Foreword by the author Species index 128 pages Comments about the Book This is an absolutely sumptuous book of stunning photographs ... some of which are absolutely breathtaking, the rest simply superb. -- Jonathan Revett, *Field Mycology* ... the most impressive photographic work of its kind ... showing some of the most spectacular fungi-- Marco Floriani, Italy Simply stunning is the best way to describe this offering from photographer and mushroom lover Taylor Lockwood. 128 pages of gorgeous full-color photographs of fungi from around the world. -- Paul Stamets, author of *Mycelium Running* Taylor F. Lockwood has done for mushrooms what Ansel Adams did for Yosemite Valley ... His photographs are too beautiful to be believed. -- Andrew Todhunter, author of *A Meal Observed* Breathtaking, awesome, and exquisite ... Not only does he search out the most pristine mushrooms to photograph, his composition, color, and lighting are unparalleled. Taylor is the Michelangelo of the mushroom world.
