

Van Richtens Guide to the Walking Dead (Dungeons & Dragons d20 3.0 Fantasy Roleplaying, Ravenloft Setting)

Continuing the tradition of the Van Richtens Guides, this volume examines the psychology and physiology of Ravenlofts unliving denizens. Within these pages, you will find descriptions of their special powers and vulnerabilities, the effectiveness of certain spells on them, and ways to neutralize, destroy or command them. Included are new variations of creatures and section for DMs with suggestions for games that focus on the unfortunate creatures that were once living beings.
