

Escape from Enceladus (Stark Raven Voyages Book 1)

A treasure hunt in deep space... It was a simple plan. Commandeer an abandoned lifeboat and go flying across the rings of Saturn looking for a lost ship called the Mary Alice. Becomes a grim struggle for survival But they didnt find the Mary Alice. They found the Stark Raven, a pirate ship, floating lifeless and apparently abandoned. It looks like the chance of a lifetime for James Chan and his crew of slackers and misfits, but the pirates arent quite done with the Raven. And when Chan and crew flee to the frozen moon of Enceladus, they discover that space pirates are the least of their problems...
