A brazen armed truck robbery netted a veteran team of robbers six hundred thousand dollars in cold hard cash but sparked a deadly street war between two childhood friends. Two ATF agents were assigned to the case. In the midst of their investigation, they discovered that the case was more than they bargained for. Not only are the suspects in the business of robbery and murder, they're now into moving high-grade heroin. Their drug supplier, Dean Briggs, has been the target of several Federal and State investigations, but his affiliation with some of the government's top officials has allowed him to slip through the cracks and remain untouchable. Motivated by possible promotion, Agents Smith and Pratt are determined to bring the suspects to justice..Will they succeed or will they pay with their lives???
