

Cocktail Hour: Authentic Recipes and Illustrations from 1920 to 1960

Waiter, I'll have another. Another cocktail, that is. Or, on second thought, make it a hundred of them. In this bright, sprightly sequel to their immensely popular *Vintage Cocktails* (1999), authors Susan Waggoner and Robert Markel serve up authentic recipes for more than 100 fresh classics from the golden age of libation. Lavishly illustrated with full-color vintage art, garnished with quotes, and studded with anecdotes and cocktail histories from the era, *Cocktail Hour* also features lively sidebars that offer both practical advice (such as pointers for throwing a perfectly swank cocktail party) and fascinating bits of cocktail lore. Readers learn what Frank Sinatra wrote on invitations to Rat Pack parties (*Black Tie and Sunglasses Required*), which movie offers a glimpse of the Brown Derby's original bar (*Mildred Pierce*), and what Cab Calloway may have been drinking the night he covered a memory lapse by singing *hi-de-ho* in the midst of a song (a Harlem cocktail, the signature drink of the Cotton Club). With completely new-but still classic-drinks, illustrations, and anecdotal material, *Cocktail Hour* is a must-have for buyers of the first book as well as a fine stand-alone volume for drink lovers of all varieties.
