

Virus Z: Niagara - Episode 4

Virus Z: Niagara - Episode 4 An unknown virus, ordered to be secretly researched by the government, is in the hands of a tired, overworked CDC Scientist. A small mistake is all it takes. It started with one. One person becoming what no one truly believed to be real. James Ericson witnessed the downfall of Floor Three in the Atlanta CDC Lab. He saw a man he admired turn into a flesh-devouring monster. Now, with just his blood stained lab coat and a mysterious flash drive, he must attempt to outrun the virus. Can he make it to safety before it catches him, or will he end up just like the other mindless zombies beginning to fill the streets only one thing on their mind... NOTE: This is the fourth episode of Virus Z, a serial novel. There will be cliffhangers, and Zombies, from one installment to the next. Read at your own risk...or delight.
