

My America

-The most controversial book in urban fiction Martin Jones was birthed into a world of violence. His first experience came on the eve of him being transported home from the hospital; a few days after he was born. As Martin comes of age, his disdain and hatred toward authority figures fuels his anger. Martin has no clue why his heart contains so much hate. Hes at war everyday with himself; trying to figure it out. My America is a new age revolutionary tale of the struggle to find ones self. Every high school student, college student and avid reader should own a copy of this book! Find out why so many young, Black males feel the way they do. MY AMERICA!
