

Digital Renaissance

After joining a startup accelerator in Shanghai, Mike comes across an algorithm that can change music creation forever. But soon he finds he is working for the dark side. Things get worse when a colleague dies in strange circumstances. Through the eyes of Mike, discover an emerging fast growing Asia and the world of startups. Set in Shanghai and Kuala Lumpur, the story uncovers how a new generation thinks about work, and about their dreams and ambitions to make a difference. They are shaping tomorrow with their actions today. They dare to challenge the status quo, and in their own way, change the world. They're unleashing a new era: The Digital Renaissance.
