

## The Shallows: Pool of Life, Book 1

The Pool of Life is a collection of 48 poems written over 40 years. There are 4 chapter books starting with The Shallows, The Breakers, The Depths and The Sand. The poems can be read in any order, but I chose a specific order to tell my personal story. Wade with me into The Shallows, feel The Breakers crash. Sink to The Depths and resurface again. Bask with me on The Sand. We are the survivors of lifes shipwreck. In The Shallows, we begin with 12 poems to get our feet wet. Remove your shoes, step from shore over sand and slippery stones. Each step leading to deeper water.
