

Willy and Alvira

Follow the adventures of lottery-winning couple Willy and Alvira Meehan through these best selling short stories. The couple is targeted and pursued by ex-cons after winning the lottery in Plumbing for Willy, they discover the body of actress Fiona Winter in their New York apartment in The Body in the Closet, and they help Cynthia Latham solve the murder of her stepfather in Death at the Cape. As a special bonus, author Mary Higgins Clark pushes the aura of suspense sky-high in Stowaway and Milk Run, a pair of stories set aboard jetliners.
