

Secrets of the Ocean Realm

A photographic celebration of the spectacular drama of exotic marine creatures lives and the otherworldly beauty of the deep-sea ecosystems that shelter them, *Secrets of the Ocean Realm* is based on a five-part series of public television specials. Written and photographed by Emmy Award winning couple Michele and Howard Hall, *Secrets of the Ocean Realm* is more than just a collection of stunning photographs: it is a revelation of the sea creatures complex and mysterious cycles and patterns of behavior. The reader is presented with striking images of all manner of marine life: sharks, opalescent squid, molting lobsters, dolphins, giant whales engaged in the vital activities of mating, threat displays, hunting, and feeding. The remarkable photographs of *Secrets of the Ocean Realm* are complemented with fascinating and engaging stories that take the reader behind the scenes and reveal the state-of-the-art equipment and techniques used to capture these exquisite scenes of underwater life.
