

## World of Psychology, The, Books a la Carte Plus MyPsychLab (6th Edition)

For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! The World of Psychology offers an accessible text that is designed to seamlessly combine basic learning principles with applications to address the needs of today's diverse student population. The 6th edition of Wood/Wood/Boyd reflects the authors' commitment to the importance of learning and applying core principles in psychology. Students and Instructors of The World of Psychology will benefit by engaging in learning core concepts and applying them to the world we know. Biology and Behavior, Sensation and Perception, States of Consciousness, Learning, Memory, Cognition and Language, Intelligence and Creativity, Child, Adolescent and Adult Development, Motivation and Emotion, Human Sexuality and Gender, Health and Stress, Personality Theories, Psychological Disorders, and Therapies.
