

Backyard Chickens Crash Course - Raising Backyard Chickens For Fun & Food

Breakfast... Dinner... and Entertainment! That's what you get when you have your own backyard chickens and other backyard poultry. In the morning (or anytime of the day) if you are raising chickens for eggs then you get to have fresh organic eggs harvested from your own backyard from your own family of layers. For lunch or dinner you can have antibiotic-free, fresh organic chicken meat. And for all-around fun while raising chickens you get to watch your baby chicks chirp their way to adulthood and as adults the scratching, digging, pecking, running and fighting brings both a pleasurable and peaceful experience. The life of a backyard chicken owner isn't work; it's a labor of love that brings lasting smiles and healthy nutritious food. From chicken breeds to chicken feeds... from chicken coops to chicken poop, inside the Backyard Chickens Crash Course you get the shortcuts to how to raise chickens successfully and benefiting from your own flock of backyard chickens. I'm not a writer talking about owning chickens, I'm a chicken owner writing from experience to help you sidestep the pitfalls, save both you and your chickens grief and make sure both you and your chickens have a long mutually healthy experience. If you want to experience the multitude of benefits that only having chickens can bring, then download a copy of the Backyard Chickens Crash Course to your Kindle reader today and learn how to raise backyard chickens for fun and food.
