

## Yesterdays Gone: Season One

The #1 bestselling horror and sci-fi series with over 1,000 5-star reviews starts here with Yesterdays Gone: Season One. THEY WAKE TO THE UNKNOWN On October 15, a handful of people wake in a post-apocalyptic landscape to find that most of the worlds population has vanished in a mysterious event. STRANGERS UNITE A journalist wanders an empty New York in search of his wife and son. A serial killer finds that hes no longer top of the food chain. A mother shields her young daughter from danger, but how can you fight an enemy you cant see? A bullied teen is thrilled to find everyone gone until a knock at the door. A special agent turned enemy of the state survives a fiery plane crash. He desperately needs to reach his daughter, but fate has something else in store. An eight-year-old boy sets out on a journey to find his missing family, but finds an old man who might just be the key to understanding everything. DARKNESS IS COMING The survivors are not alone. Something is watching. Waiting. And hunting them down. And one group of people has been preparing for this moment for years. FATE CANNOT BE STOPPED Where has everyone gone? Who can you trust when anyone can be an enemy? Can humanity survive the darkness that threatens to overwhelm them all? THE ONLY CERTAINTY IS THAT YESTERDAYS GONE Read the epic, twisting, roller coaster of a series that readers are calling, The Stand meets LOST!
