

## Zombie Uprising: A Zombie Apocalypse Short Story

For Melanie, the cure for breast cancer came too late, but luckily it was discovered in time to save her sister Julia. But when Julias boyfriend, Corey, runs to Melanie for help after Julia begins to act strangely, Melanie knows the cure might not be what the scientists say it is. Suddenly, women are reporting dangerous symptoms after taking the breast cancer cure. Symptoms of insatiable thirst, uncontrollable shaking...and a hunger for human flesh. Melanie and a group of friends are the remaining survivors in the zombie uprising. But can they band together to help each other survive the apocalypse or will their individual weaknesses only lead to everyones deaths?
